ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This order resolves the request for reconsideration at Dkt. 174 concerning certain discovery rulings. The motion for reconsideration is denied; there are no facts or law that the Court overlooked and there is nothing new to warrant reconsideration. The discovery rulings stand.

The Court observes that this litigation is consuming considerable resources and that it may be beneficial for the parties to have a settlement conference with the Court. My Deputy Clerk will coordinate a date with the parties.

SO ORDERED.

A handwritten signature in black ink, appearing to be "RWL", written over a horizontal line.
